THE people of France have \$1,000,000,000 deposited in Postoffice Banks; and they draw \$200,000,000 annually as interest on investments in other countries.

SENATOR FORAKER is known as an uncompromising fighter of the never-surrender variety. But he must have seen a light since last spring. Now he is again following along after the ROOSEVELT band wagon, wearing the temporary smile of the trained politician and is figuring out as near as he can the exact spot where the lightning will strike.

THE recent boost in the price of thread is now accounted for. It is said that the profits of the J. & P. Coats Co., limited, manufacturers of thread of Pawtucket, R. I., for the year ending June 30th, last, were \$15,280,625. It also has a great plant in Paisley, Scotland, and 30% in dividends will be declared. When these soulless corporations unreasonably increase prices always look for double dividends and a righteous howl from the consumer.

THERE appears to be little doubt that when the Republicans meet in state convention next year to elect delegates to the Republican National Convention and to reorganize the party organization in Kentucky, WILLIAM O. BRADLEY will succeed JOHN W. YERKES as National Committeeman from the state, and that ROBERT G. WINN of Mt. Sterling will be the successor of RICHARD P. ERNST as Chairman of the Republican State Central Committee.

Gov. BECKHAM's Thanksgiving proclamation is short and to the point. "We have indeed been gloriously blessed," as he says, but he evidently doesn't mean in a political sense.—Frankfort State Journal.

It is said that one of the many progressive acts contemplated by Governor-elect WILLSON is that of having the banks which are now depositories for state funds be required to pay a fixed rate of interest on all moneys deposited with them.

WHY all this fuss and stew about certain cities raising \$75,000 to hold the National Democratic Convention next year to nominate a candidate for the Presidency? Why not just have TOM TAGGART, TOM JOHNSON, OLLIE JAMES and OWSLEY STANLEY, meet and declare Mr. BRYAN the nominee and save the expense of holding the convention? "The Peerless One" is not worth 75 cents to his party, let alone \$75,000.

THERE'll be 'steen candidates for United States Senator when the Legislature meets on the first Monday in January. Besides Governor BECKHAM, Senator MCCREARY, ex-Governor BRADLEY and a host of others from both sides of the fence now Rev. E. L. POWELL of Louisville proposes HELM BRUCE of that city as an available candidate. It is said that Representative MCKNIGHT of Mason county will cast his vote for Hon. J. N. KEROE of this city.

PROOF.

Mr. Softly—Tommy, do you really think your sister likes to see me better than she does Mr. Smartly?
Tommy—I'm sure of it. When he's in the parlor she turns the light so low she can't see him at all.

Sealshipt And Other Oysters!

Oysters With a Difference.

SEALSHIPT OYSTERS are packed in a sanitary, germ-proof, enameled case, which is sealed. Tub oysters are packed in stale, slimy, soggy, wooden tub with a loose cover.

SEALSHIPT OYSTERS are handled only by the men who shuck them by hand. Tub oysters are tended by the hand—too often grimy—of the shuckers.

SEALSHIPT OYSTERS are protected from germs by an air-tight, ase. Tub oysters are packed in a tub with an ill-fitting, removable cover.

SEALSHIPT OYSTERS do not come in contact with ice; it is packed ase. Tub oysters have ice put directly among them, often bruising them.

SEALSHIPT OYSTERS have a delicious piquancy, the true "half-baked" oyster flavor, with no marked flavor save that

"A TEXAS STEER."

On Monday night "A Texas Steer" will be given at the Washington Theater. The plot depicts life in Washington, and the trials and tribulations of a countrybred Congressman, who has more wealth than refinement and social education, and whose path is beset on all sides with difficulties. The office-seekers who thrive by thousands in Washington are depicted in a manner that should be a warning to those who aspire to draw a government salary. The company that comes to this city is one of the best that has ever appeared in the skit.
